Screen Details

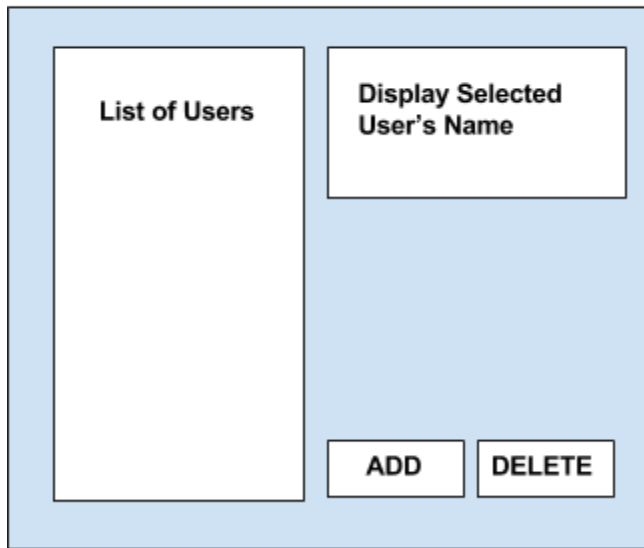

Login Screen for Users/Admin

A login screen with a light blue background. It contains two labels, 'USERNAME' and 'PASSWORD', each followed by a white rectangular input field. The labels are in a bold, black, sans-serif font. The input fields are simple white rectangles with black borders.

(1)

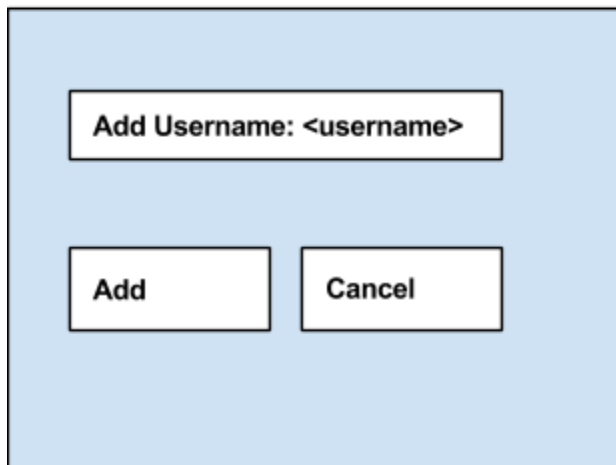

Admin Screen

The Admin Screen is a light blue rectangular container. On the left side, there is a large white rectangular box labeled "List of Users". To the right of this box, at the top, is a smaller white rectangular box labeled "Display Selected User's Name". At the bottom right of the container, there are two white rectangular buttons labeled "ADD" and "DELETE" side-by-side.

(2)

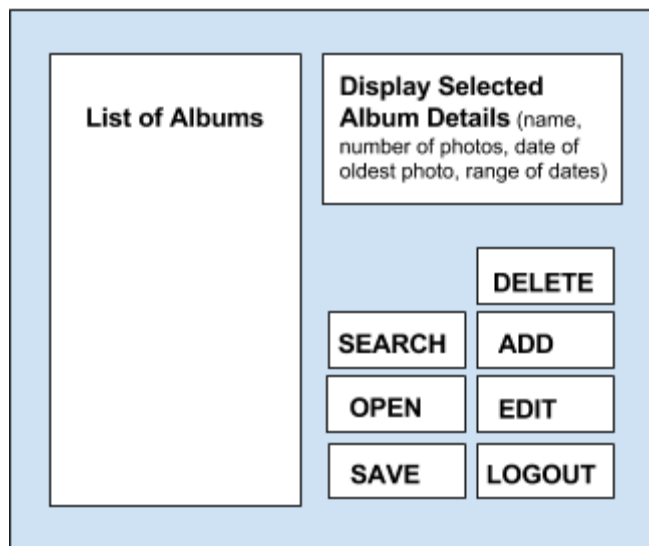

Add New User Screen

The Add New User Screen is a light blue rectangular container. At the top, there is a white rectangular box containing the text "Add Username: <username>". Below this box, there are two white rectangular buttons labeled "Add" and "Cancel" side-by-side.

(3)

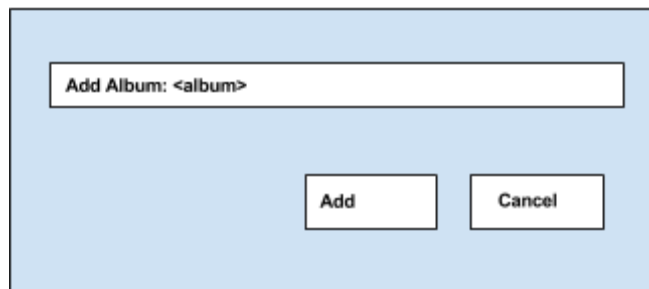

User Screen

The User Screen is a light blue rectangular container. On the left is a large white box labeled "List of Albums". To its right is a white box labeled "Display Selected Album Details (name, number of photos, date of oldest photo, range of dates)". Below the details box is a grid of buttons: "DELETE" at the top, followed by "SEARCH" and "ADD" in the second row, "OPEN" and "EDIT" in the third row, and "SAVE" and "LOGOUT" in the bottom row.

(4)

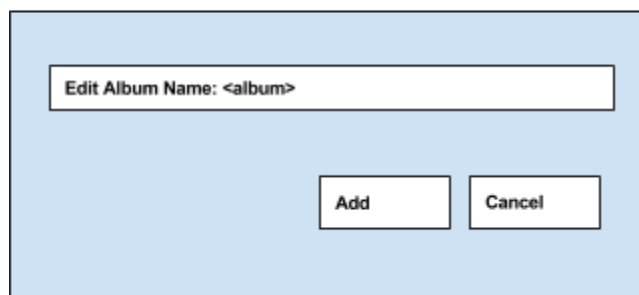

Add New Album Screen

The Add New Album Screen is a light blue rectangular container. It features a white input field at the top with the placeholder text "Add Album: <album>". Below the input field, centered, are two buttons: "Add" on the left and "Cancel" on the right.

(5)

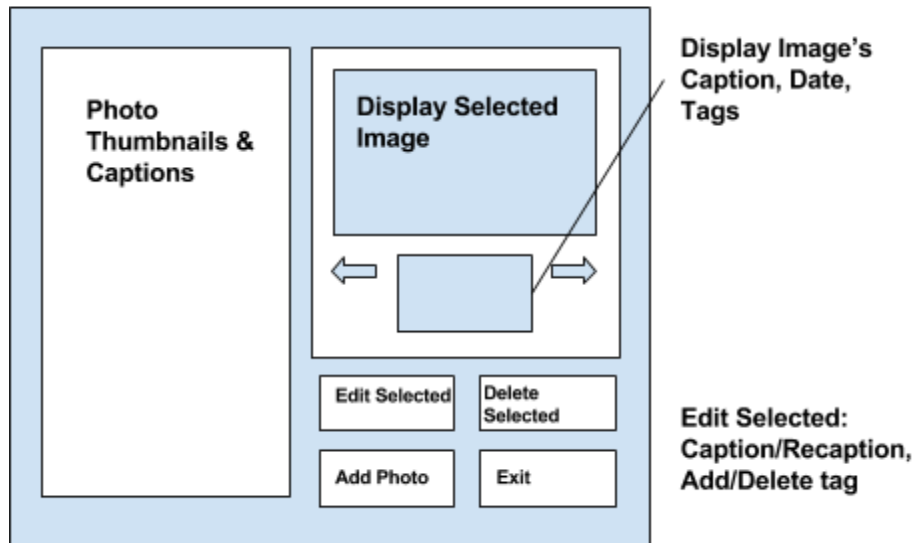

Edit/Rename Selected Album Screen

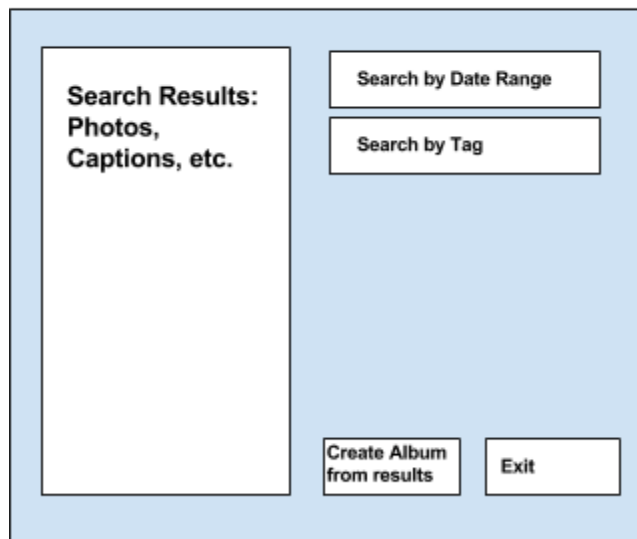

The Edit/Rename Selected Album Screen is a light blue rectangular container. It features a white input field at the top with the placeholder text "Edit Album Name: <album>". Below the input field, centered, are two buttons: "Add" on the left and "Cancel" on the right.
